PROSECCO DOC EXTRA DRY

vol.
11 %

6/8°

Wine with a bright straw yellow color, with a fine and persistent perlage that enhances its aromas, fresh, elegant, with hints of white-fleshed fruits and white flowers. In the mouth the combination of bubbles, sweetness and acidity gives a harmonious sensation to the wine, which is enhanced by the final floral and fruity aftertaste.

Service: Ideal at 6-8 °C, it is excellent both as an aperitif and in light meat and fish foods.

Alcohol content: 11% vol
