ROSATO EXTRA DRY

vol.
11%

6/8°

The dull pink color, deriving from a short and cold maceration, does not however hide the intense bouquet of yellow-paste fruit, small red fruits, with floral hints of rose and violet. On the palate it is fresh, slightly sapid and pleasant.

Service: Ideal at 6-8 °C, it is excellent both as an aperitif and with shellfish or fish salads. Perfect for fruit desserts.

Alcohol content: 11% vol
