VEGAN FRIENDLY  
**VEGAN CUVÈ EXTRA DRY**

vol.  
**11%**

**6/8°**

The pale straw-yellow color, with greenish reflections, the result of a selection of grapes harvested by hand a little bit sour, result in this sparkling wine with exceptionally intense, floral and delicately fruity aromas, further enhanced by the fine and persistent perlage. In the mouth the balance between acidity, flavor and sugary residue makes this cuvée pleasant and lively.

**Service:** Ideal at 6-8 °, it is excellent for aperitifs and light foods, pastries and savory pies. Perfect with tofu.
